

The 25th Annual Stan Foster Memorial Golf Tournament

Friday September 15, 2017

It's time to get ready to tee off for the 25th annual Stan Foster Memorial Golf Tournament. It is hard for us to believe that Stan has been gone so long, yet we know that he would be proud and happy for all the families that have been helped throughout the community in his name.

This tournament was established in the memory of Stan Foster, a lifelong Vacaville resident and talented local athlete, with a real affinity for the game of golf. When Stan lost his battle with liver cancer in 1993, his family & friends, who still have strong, deep ties to our community, could think of no better way to honor Stan and help those within our community than to establish this tournament. It is a great way to have a day of fun, see old friends, and to help someone in need.

This year's recipient is **Ashlee Inglesby**, a young woman who has been diagnosed with Severe Aplastic Anemia. *Aplastic Anemia* is a disease in which the bone marrow does not make enough blood cells for the body. One day Ashlee was a healthy 30 year old working at Pure Grain Bakery in downtown Vacaville, and the next she was very sick. Diagnosed in September 2016, Ashlee was fortunate to have a bone marrow transplant in December 2016 but spent several months in the hospital and then living at Starford. She has the challenges of ongoing tests & treatments and is unable to work. Ashlee has the support of her husband, family, friends, and now the Stan Foster Memorial Golf Tournament team.

We cannot thank you enough for your generous support of our tournament in previous years and we hope to count on your continued support again this year for Ashlee. Please help up to make this another successful tournament. We are in need of golfers, sponsors, donors for raffle prizes, & volunteers.

Please turn this page over for our registration form.

Do not hesitate to call on any of our committee members for additional information.

Thanks again and we look forward to seeing you at this year's 25th annual Stan Foster Memorial Golf Tournament on September 15, 2017
