### ABOUT US

This tournament was established in memory of Stan Foster, a lifelong Vacaville resident and talented local athlete with a real affinity for the game of golf. When Stan lost his battle to cancer in 1993, his family (who still have strong and deep ties to the community) and friends could think of no better way to honor Stan and help people within our community than to establish this tournament.

**“Our mission is to raise funds through our annual golf tournament by working as a team with our recipient who is going through a difficult time due to illness or a catastrophic event.”**

Please answer all questions as completely as possible to help us in deciding the 2024 recipient for the Stan Foster Memorial Golf Tournament. This is a confidential questionnaire and will be reviewed by core committee members only. Please be detailed, and if necessary, add additional pages for comments as our selection will be based solely on this 4 page questionnaire. Please answer all questions to the best of your ability.
